Royal Collection

Royale Kollektion | 皇家系列 | Coleção Real

A first of its kind, this range of designer banquet chairs are given a modern twist from the traditional ones. The frames from this collection are designed with clean lines and oven-baked, coated with glossy spray paint or matt powder-coating. With velvety fabrics in classic colours and sleek silhouettes, there's no reason your guests shouldn't feel like royalties.

Grace Collection

As the name tells it, the graceful silhouette sets these chairs apart from the conventional banquet chairs. The modern design in this collection gives a twist to the usual banquet settings, while flowing nicely with the interior decoration.

The resilient cushion provides comfort for guests and most models have the option of an additional handle for easy handling.

Timeless
Collection

The Timeless Collection caters to venues that require classic banquet settings. With elaborated backs, this collection is pretty enough to do away with chair covers.

Instead of traditional steel frames, chairs from this collection are fitted with aluminium frames, making them lighter to manage. The stacking characteristic of these chairs makes transportation and storage a breeze.

Fortress Stage

Designed to be a one-man operated unit, together with more efficient height-changing mechanism, Novox Fortress stages save labour and time. These mobile stages come with multiple heights which can be easily set up for use at indoor events such as weddings, convocations etc.

SURFACE

- Carpeted surface for a classier look
- Softer feel
- Lesser noise when stepped on

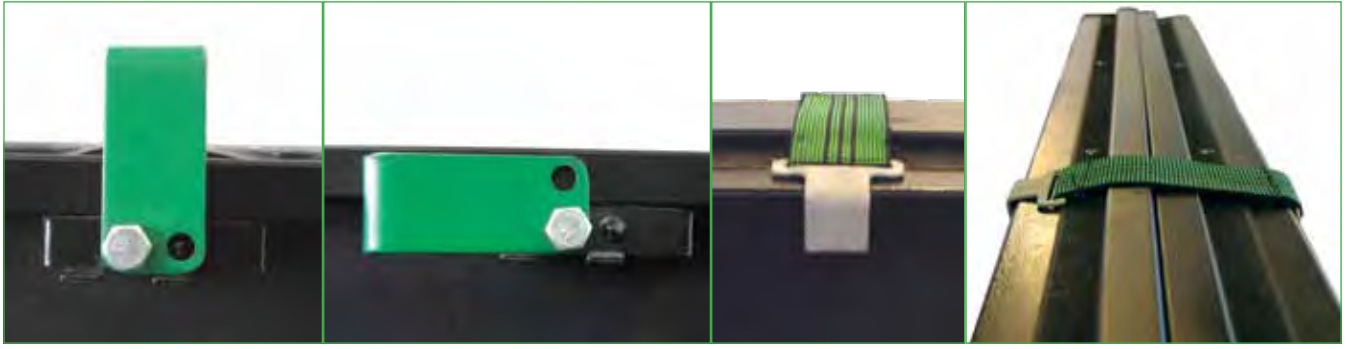

HEIGHT

- Catch-lock mechanism for easy changing of height
- Rotate green handle and adjust to desired height

CASTERS

- Heavy-duty caster wheels
- Do not leave marks on carpet surface
- All swivel casters for easy manoeuvring from either side of stage (two casters with brakes, two without brakes)

GANGING DEVICE

- Lock stage sections together when in use
- Can be kept easily without using other tools

LOCKING STRAP

- (Images shows the opposite side of stage)*
- Secures stage sections together when in storage position

LOCKING MECHANISM

- Stage will not unfold itself unless mechanism is unlocked (as safety precaution)

CAPPING

- For protection of carpet
- Easier operation during stage set-up

LEGS FOR EXTENDED HEIGHTS

- Tucked in and secured
- Will not swing out during transportation
- Legs are securely locked in place at 90 degrees when opened up for extended height

EDGE

- Vinyl coated steel edge banding
- Secures and protects stage deck

VELCRO

- Velcro lines all sides of stage
- Allows for quick and easy drape adjustment
- Adjustable drapes –full deck-to-floor coverage at all heights (drapes not included with stage)

Space Analysis

Estimating the right amount of furniture for a huge event room can be tricky.

That's how our space planning services come in place.

We provide space analysis where you can see just how much banquet furniture you need. Not too much, not too little. Saving lots of headaches for you and your team.

Here are some examples of the different set-ups.

Gala Dance Floor

Let your guests party and dance the night away with the Gala Range from our Dance-Floor Collection. With this versatile dance floor, it is easy to personalize its size according to your venues' space.

GALA DANCE-FLOOR

Model no. : **DF-GPO-33S**
Dance-floor Material : Parquet (Oak)
Dimensions : 910 x 910 x 25mm
Weight : 18kg per panel
Locking mechanism : Gear-lock

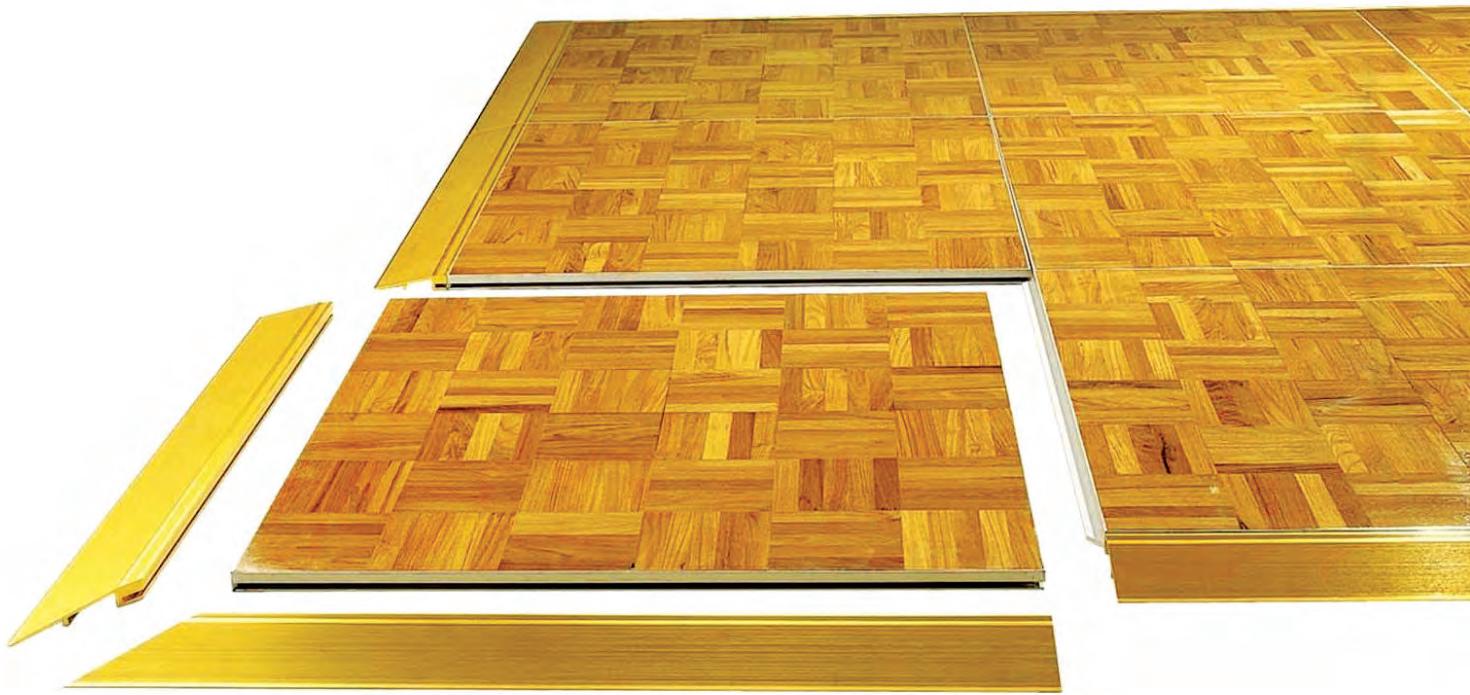

Gear-Lock

- Gear-Lock uses reliable positive locking system
- Do not rely on magnets or gravity to secure panels together
- Gear-Lock allows automatic alignment of panels together for quicker and locked fit
- Only requires a half-turn Allen wrench to lock & unlock panels, reducing time and labour for set-up

Panel

- Uses high quality parquet
- High gloss surface coating for better protection of panel and aesthetics purposes
- Ensures shape squareness is adhered to, which eliminates gaps between panels
- All panels make full contact with floor, ensuring no problem of breakthrough
- Protects the edges of each panel by using a sturdier aluminium metal feature strip
- Easier and faster set-up with standard sizes of 910mm x 910mm

DANCE-FLOOR TRIM

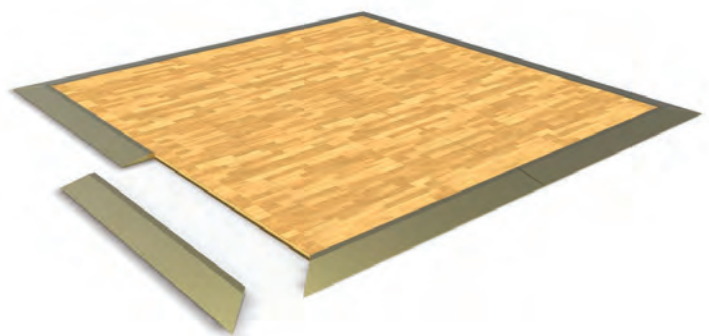

Material : Aluminium
 Width of Trims : 127mm, providing approximately
 11° gradient to every floor

TABLE TOP

- Choice of finishing:

Woodgrain

High-pressed laminate top brings simplicity and contemporary styling to any interior.

Hard Leather material

Provides a slight padded feel and friction to prevent glasses from sliding easily on table top.

FOOD WARMER SECURED IN PLACE

Rails at the side of the frame ensures that the food warmer is consciously placed properly and “locked” in place preventing them from sliding out easily

TABLE LEGS

Table legs are constructed as a separated component, making repair and replacement of parts infinitely easier, reducing maintenance cost

NON-MARKING RUBBER WHEELS

- Do not damage flooring/ carpets
- Easy to move about
- Reduces noise

DUAL-FOLD AND TRI-FOLD OPTION

Tri-fold allows the side flaps to position upright and lock-in-place, containing the unfinished food and drinks on the table top, thus minimizing spillages and breakages

NESTABLE

Table top able to flip down for better storage as the trolleys can be nested together

EXTRA LEG ROOM

Centre-leg design provides extra leg room for guests to enjoy their meal

Dreamer Rollaway Bed

Dreamer Rollbett | 移动加床 | Cama Extra Sonhador

With thicker mattress for maximum comfort, and the elimination of folding, guests can now enjoy a restful night of sleep with our Dreamer Rollaway Beds. These beds are cleverly designed so that no hinges are needed, allowing housekeepers to operate with ease.

STRAP

- Adjustable straps holds pillow in place during transportation and storage
- Strap is kept hidden safely under the bed when ready for use

FRAME

- No hinges on frame to catch sheets or pinch fingers
- Smart design of bed frame with one set as legs (laid-down-position), and one set as handles (up-right-position)

CASTORS

- Transports quietly through hallways on four castors

HEADBOARD

- Durable laminate headboard with black vinyl edge for protection, easy maintenance and nice appearance

TRANSPORTATION AND STORAGE

- Easy to transport due to its lightweight design
- Fits through standard height doorways while in vertical position
- Can be stored upright
- Maximizing vertical space

FOUNDATION

- 10cm for extra comfort
- Fully wrapped with vinyl for aesthetic purposes
- Vinyl wrap enables easy maintenance
- Fire-retardant monitor ticking

PIVOT POINT

- End legs and pivot points enable easy lowering for use and raising for moving about
