

The concept of utage (Oo-tah-ge) is a Japanese one, steeped in the traditions of Japanese cuisine culture. Utage is the highest form of sincere hospitality. More than merely entertaining guests with food and drink, it includes a particular care and attention to the surrounds, the tasteful décor, even the aesthetics of the tableware that makes your time together special. It is hospitality expressed from the mind and the heart and the soul. The brand Utage is our range of tableware to challenge your creativity, to excite and stimulate the guest, to help you better express hospitality, in essence, to make the situation perfect.

ウタゲとは日本の食文化の伝統に基づいて創造された一つの概念です。ウタゲとはおもてなしの最高の形です。単に食事や飲み物でお客様を楽しませるだけでなく、食器や装飾などのしつらえを含む食を取り囲む全ての空間に対する心づかいと、それのおもてなしに対して気づかうお客様の気持ちが一体となって生む特別な時間です。UTAGEブランドは器を通じて、そんなおもてなしに対するあなたの挑戦のお役に立ちたいと考えます。あなたのウタゲを最高のものにする為に。

## Devotion To The Material And Harmony With The Natural Color

Recently, chefs have been preparing dishes with a more visually appealing artistic sense., and important factor appears to be focusing on simplicity in materials, and seasonal and sustainable ingredients. For that reason, the UTAGE has developed and can supply high quality natural taste tableware and, providing a canvas to challenge the creativity of the chefs, while enhancing the colors of the food and material sense. The innate textures of the tableware are important in setting the right atmosphere too. Natural taste products will make the chef's creations look so much more natural, as the earth used to make the dinnerware is the same earth from which the ingredients were born. And rich, natural colors of Japanese tradition are featured in this range. The green of a leaf, the red of a flower, the blue of the sea, colors conceived by nature, which compliment the natural ingredients used in cooking. Basically, we propose simplicity. A range of dinnerware which, while not overly conspicuous, retains a certain presence.

## 素材への帰依と天然色との調和

料理人は自身のアイデアをキャンバスに絵画を描くように料理を器に盛り付けます。彼らは時にアートと言われるほどの完成度で多彩な表現をします。そんな料理の世界では現在、シンプル、素材、持続可能な食材、季節の旬というキーワードが大切な要素となっています。UTAGEでは創造性豊かで挑戦意欲を掻き立てる事ができるキャンバスとしての器、テーブルの上だけでなく食空間全体のしつらえとしての器を提案してまいります。今回のコレクションではやきものの重要な素材である土の雰囲気を活かした味わいある質感の器と、日本の伝統色の中から自然の豊かな色彩を取り入れた製品をご用意しました。食材となるすべての生命は土によって生まれているのですから、素材感を発揮した器は自ずと食材を引き立て、皆様の表現をよりよいものにできると考えます。そして、葉の緑、花の赤、海の青など、自然を発想させる色だから食材との相性も良く、食空間を華やかにするはずです。基本はシンプルで目立ち過ぎず、しかし存在感のあるUTAGEの器を皆様の表現の一部としてお役立てください。
