# About us

## Deal Directly With Factory

### Our Company

Originated in 1992, as one of the well-known and leading brand for OS&E solutions provider, we have successively set up two factories, and two design & R&D centers. With a total area of 74000 square meters and eight branch offices worldwide.

In the past 30 years, we withstand the test & challenge of market changes and our rapid growing clients. And more than 15 years OEM experience for famous International hospitality supply brands. and continue to grow with innovative and sustainable philosophy in mind throughout design, produce and service. We are honored to witness the 30 years changes for hospitality and hotel industry. With footprint of supplying more than 1500 hotels and resorts in the 30 years, 28 countries and territories. Today, we provide better solutions and authentic service for emerging destinations around the world.

### Personalized Customizable Design Solution

We aim to provide you with a wide range of solutions for hospitality industry. From solution for Meetings /Events equipment tables, Buffet Restaurant, to outside catering, Rooms amenities ect. We can meet all your needs with our unique & patent design right preserved buffet line - 0 zero storage needed series Ruby's kitchen and other distinct style; To greatly save cost by multi-site, versatile, personalized function, and increase profits for all kinds of properties.

Our design studio and factory will make sure all the equipment match well with different hotel styles and scenarios.

## Our Factory

# FACTORIES

16000+m<sup>2</sup>

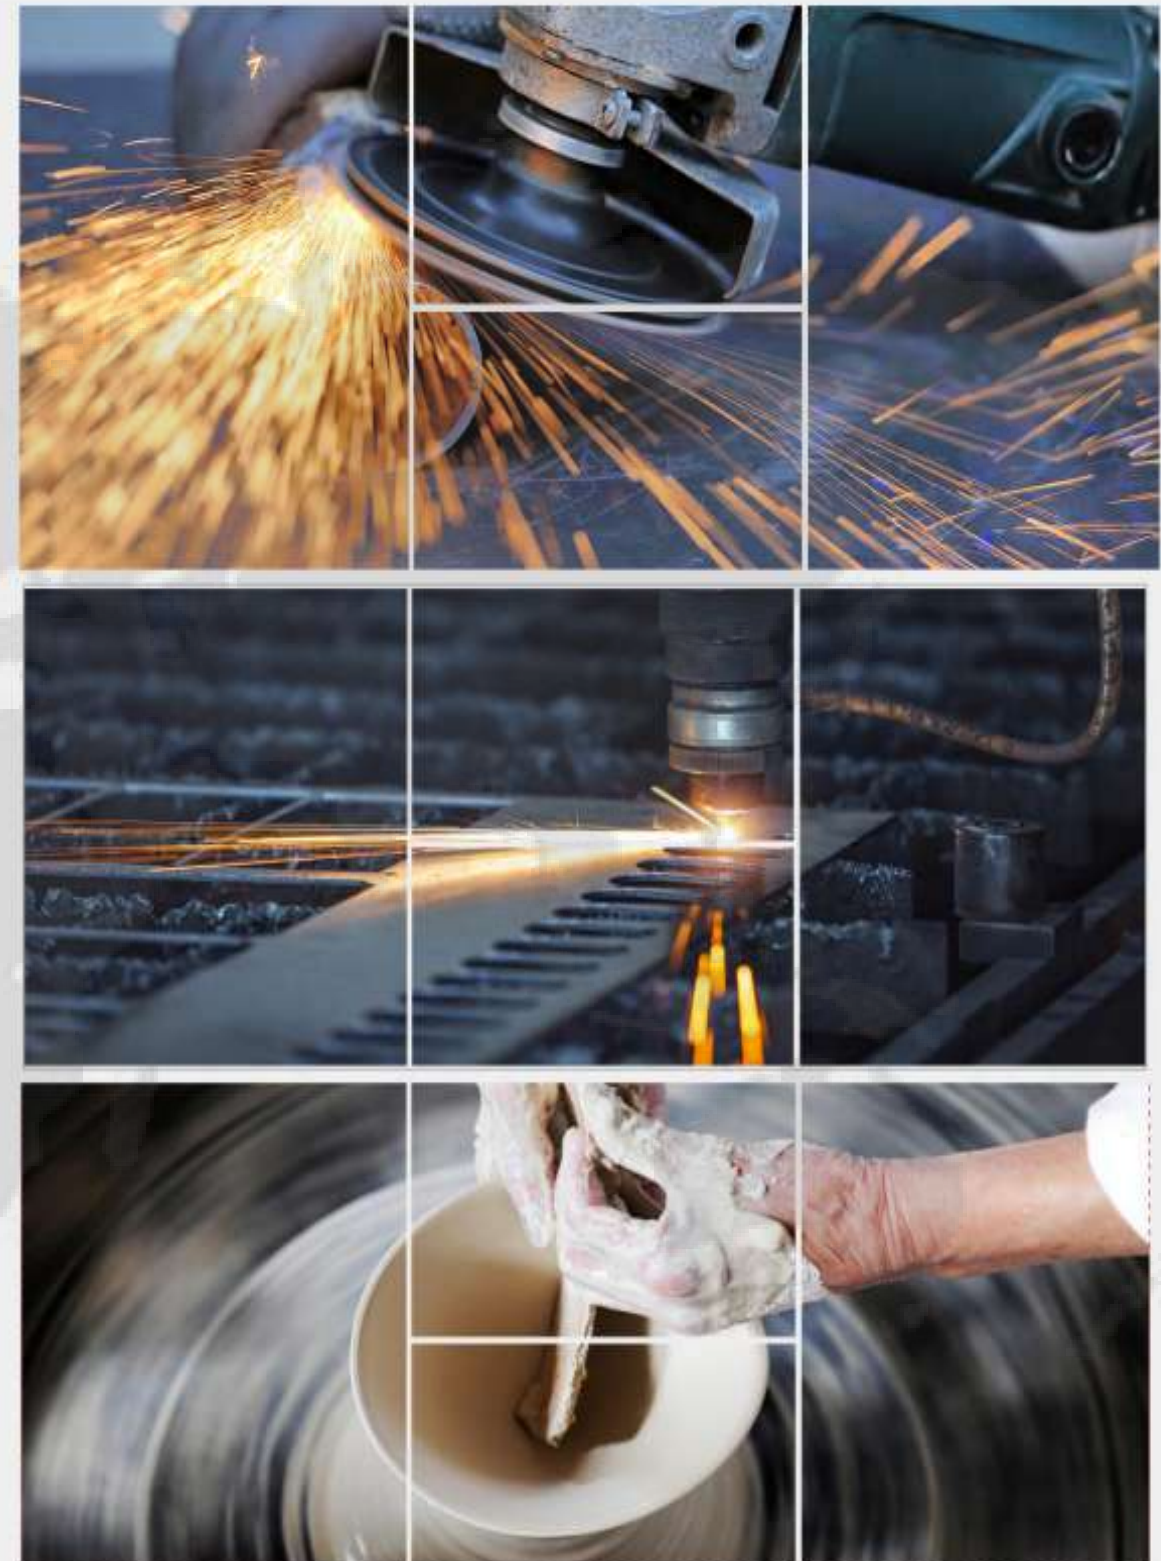

Proficient Machine and digital production line for Banquet chairs , tables, lazy suzan, Meeting Tables ect . and honored to witness the market for 30 years , with yearly 600,000.00 pcs chairs production capacity.

18000+ m<sup>2</sup>

Personalized Production line and advanced machines for Customzied products like Mobile buffet equipment, Tableware, Trollies. We can meet all your needs with our unique &patent design right preserved buffet line - 0 zero storage needed series portable Ruby' s kitchen series and other distinct style; To greatly save cost by multi-site, versatile, personalized function, and increase profits for all kinds of properties.

40000+ m<sup>2</sup>

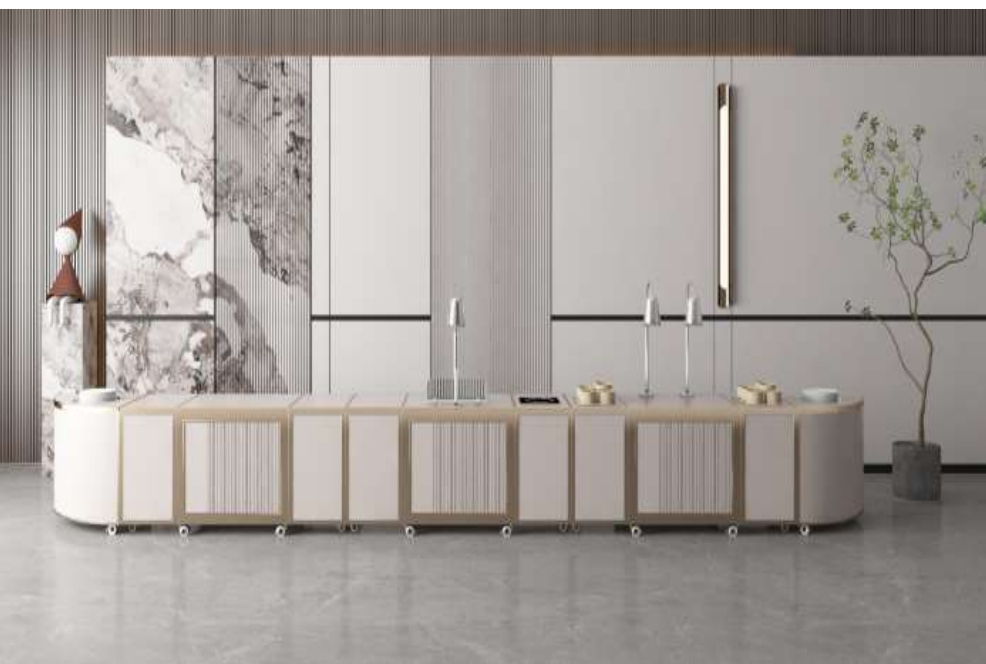

The design of porcelain focuses on incorporating elements from the cultural background, achieving an effective balance between function and aesthetics, and cooperates with well-known design institutions at home and abroad, such as Dorfel design studio in Germany, Spizes Design studio in the Netherlands and Rocker Design Company, to develop high-end ceramics
